TERM 3 WEEK 3

Friday 5th August, 2023

*Respect, Courage,
Persistence, Self-Belief*

Term 3, 2023

*Friday 4th August
Jeans for Genes day*

*Cascade Science Trips –
every Friday*

*Senior Student Mallee
Excursion 8th August*

*Staff Development Day –
No students at school
Monday 21st August*

*Open School Council
Meeting – 4:30 onwards
on Tuesday 22nd August*

*Book Week Assembly –
Thursday 31st August*

*Father's Day Nature Play
Creation – 12:30 onwards
on Tuesday 5th September*

Principal's Report

Kaya everyone,

Welcome to Term 3 which has turned out to be a very busy one indeed. A very warm welcome to the Brewer family who have Peter in Year 1, Suzette in Kindy and beautiful Lily who will join us in about three years. Another enrolment in the background! We trust you will feel part of the school community very quickly.

I just want to have a word about attendance. It is a legal requirement that children attend an education program or school each day unless there is a valid reason why they cannot. It's only ok to miss school when:

- Your child is sick
- You are attending a cultural or religious event
- A natural event happens e.g. cyclone, bushfire

Every day your child learns something new, so it's important they attend school every day. We know this is not always possible and they may miss a day occasionally. Always let us know the reason why as soon as possible. We can help them catch up. If you are going to be away for an extended period of time, please come and discuss it with me. We can negotiate ways you can incorporate what your child has been learning into everyday activities. This is easy to do and will maintain your child's concept knowledge. However, taking extended time away from school WILL impact on your child's learning – please keep this in mind. NAPLAN results have been distributed to parents. We use this data to plan for educational outcomes and assess how we are performing in comparison to other schools. On the whole our performance is solid. NAPLAN is not the only assessment we use. Currently the teachers are looking at a platform called 'Elastic'. All data for test results are able to be uploaded to the Elastik platform. From this we can analyse individual results and pinpoint exact curriculum items that students have not mastered. In our context this increases our capacity to deliver the content and concepts that students have either missed or have not had exposure to. It really supports our aim for each student to have either an Individual Education Plan or and Individual Curriculum Pathway.

Golf coaching has commenced with some rising young stars evident. We are able to fund this through the Sporting Schools grant. Our thanks to our coaches Chloe Gilmore and Liz Bott who encouraged the students to keep trying. We saw a number of great shots and stylish finishes.

My apologies for the quick turnaround for the Junkyard Band performance in Esperance. The information was sent in the last week of term while I was on LSL. The students who attended thoroughly enjoyed it. The sustainability message and re-use of everyday items to make musical instruments was inspiring.

I was unable to take photos of the actual performance. Below are some of the body percussion and drumming that were taught in the workshop after the show.

Please make plans to attend our Open School Council meeting followed by a Munglinup Community BBQ. We want to welcome as many people as we can to show off our student's work and artistic creations. I will send home an RSVP slip next week so we can have an idea of numbers for catering.

Thank you for the positive feedback about the Term Planner that was sent home in Week 1 as we work together to improve communication. I have included a copy of it in this newsletter so the wider community can see what's on at Mungy.

Wendy Hughes
A / Principal

Munglinup PS

Nature Play Donations

Can you help us?

We are looking for some donations to help us build a Nature Play / Outdoor Learning area for our students.

Donations we require:

- Logs - to create steppingstones (over 50cm in height and 20cm in width).
- Tyres - with no wire exposed of various sizes.
- Large round and solid log for a balance beam / bench seat
- 200L drum
- 60m marine sea rope
- A large flat rock

Our Nature Play build is scheduled for September 5th

Some machinery we may require, if you are able to supply are: 1 1/2 tonne excavator, post hole borer, shovels, rakes, and LOTS of manpower.

Items may be dropped to the school prior to the date. Please call the school to arrange drop off locations on the oval - 9075 1300

From the classrooms

Wow what a busy start to the term. We have been on two excursions, had students come down with the flu and our weekly Cascade visits. Term 3 has definitely started off with a bang.

Excursion to Jerdacuttup PS for Pillowslip Incursion

On our 2nd day back this term, all the students and staff piled into the bus to visit Jerdacuttup PS. We visited as part of our Health curriculum – understanding what to do in an emergency and items that are great to have in a grab bag in case of an emergency with bushfire being the most common emergency for our region.

Students had an absolute blast learning with the Jerdy students. They were spilt into Junior and Senior. When one group was with the lovely lady from Red Cross completing the Pillowslip incursion, the other was Art with Mrs Douthie. The students used the Brushes app on the iPads to create a portrait of another student. It was incredible and a fantastic tool that students can use within the classroom and a great way to incorporate ICT into The Arts.

The students had a fabulous day which ended with a dance lesson with Mrs Saunders (which they all thoroughly enjoyed and could not get enough of).

Excursion for 'The Box Show'

On Wednesday of Week 2, the students headed into Esperance with Ms Hughes and Miss Cathy to meet Mrs Watts and I at the Civics Centre. We arrived ready and with lots of excitement to watch the performance. It was INCREDIBLE!!!! The performance had 4 performers who did a variety of acting, singing of sorts and dancing. They used everyday recyclable items to create instruments and their show was based around these instruments and making music. Most of enjoyed the calm and peaceful water sound scene. It made us all feel relaxed. They performed a variety of modern songs such as Michael Jackson – Beat it using Boomwhackers.

We then all had a snack before jumping into the workshop with the performers. By gosh did we all have fun making music. They took us through all their musical instruments from the show before teaching us how to create music with these instruments. We had a great time learning how to keep the rhythm and play the instruments.

It was an absolute ball, and we were so lucky that Salmon Gums Juniors joined us as well.

Science at Cascade

The senior students completed their Design and Technology project at Cascade with Mrs Wooldridge. Their job was to create a rocket that would have the largest take off. It was so great to see our students collaborating with their Cascade peers to get their rockets flying high into the air.

This term they have begun their Physical Sciences projects where they are looking at energy changes through heat and electrical circuits. Watch this space for more photographs of their amazing work and efforts.

WELCOME**

Special Thank You goes out to:

A big thank you goes to Farm and General/Ag and Trade for the beanies. They were appreciated and well used by all, throughout the week.

Parliament and Civics Education Rebate (PACER)

The Canberra Trip for Schools

Looking to plan your school-ed excursion to our nations' capital?

The Parliament and Civics Education Rebate (PACER) program is an Australian Government initiative that provides financial assistance to support students' on-site learning about national democratic, historical and cultural institutions in Canberra. All PACER approved Institutions provide educational programs that directly align to the Australian Curriculum.

PACER-THANK YOU SO MUCH!

We started planning our trip to Canberra and applied for a PACER Rebate, we thought we were going to be very lucky to get about \$500. To be eligible schools are required to participate in PACER approved programs with at least three of the four Mandatory PACER Institutions booked when submitting an online application. The four mandatory institutions are:

1. Australian War Memorial (AWM)
2. Australian Parliament House – Guided tour
3. Museum of Australian Democracy (MoAD)
4. National Electoral Education Centre (NEEC) – Max 45 primary students per session or Max 40 secondary students per session (90min program).

Then we got this news!

Great news for schools planning their 2023 school excursion to our nation's capital!

The Australian Government Minister for Education, the Hon Jason Clare MP, this week approved the continuation of the 50 per cent increase in rebate amounts for 2023.

The increased rebate amounts were introduced post-Covid to encourage schools to plan excursions again to visit Canberra.

We thought we may get a little more, but we were astounded when we found out it was hundreds of dollars more. I can tell you, all the principals were texting each other saying, have you received an email from PACER?! We were very excited, and I know how pleased all our families were too!

Munglinup Primary School, due to our location, received **\$2,040 per student**.

At the airport Nick, our parent help, met the Hon Patrick Gorman, MP, member for Perth. They talked about the upcoming trip and the PACER rebate. The Honourable Patrick Gorman was really pleased that the PACER rebate had helped us so much and was happy to see us going on our trip.

CONTRIBUTIONS & CHARGES 2023

CONTRIBUTIONS	AMOUNT
<p>DEFINITION: In accordance with the Department of Education Contributions, Charges and Fees Policy October 2007, schools can request up to a maximum contribution of \$60.00 for years K – 6. A contribution is voluntary and the funds are used towards the cost of materials, services and facilities used by students in the education program. Contributions collected at this school contribute to a number of items including (but not limited to):</p> <ul style="list-style-type: none">• Photocopying for school work• Classroom resources, e.g. printer ink, paper, files, reading books• Physical education and art equipment• Required classroom texts	K- 6 \$60.00
CHARGES	AMOUNT
<p>DEFINITION: The term charges refers to the provision of extra cost optional activities which are parts of an education program and which contributions do not cover. All of the following are optional and if no payment is received, an educational activity with a similar outcome will be provided for that student. The School Council has approved all charges.</p>	
Senior and Junior excursions Canberra Camp Yrs 3-6 Mallee Swim Camp Yrs PP-2 Swim Week Yr 6 End of Year Event Canberra Camp Deposit Canberra Camp Department Insurance This is the maximum that will be charged. Parents will be asked to pay as excursions/camps occur.	\$50 \$2600 \$400 \$200 \$75 \$150 \$25
CULTURAL ACTIVITIES	AMOUNT
Cultural Activities (MAX. COST PER STUDENT FOR THE YEAR) Cultural Activities are costed at 50% subsidy and 50% student funded. Examples of Cultural Activities are events such as visiting MusicaViva, Spare Parts Puppet Theatre, Aboriginal Dance Groups etc.	\$30
School Based Activities (MAX. COST PER STUDENT FOR THE YEAR) This can consist of the cost of food items for cooking, money for unbudgeted activities such as a visiting artist workshop etc.	\$20
Graduation Clothing (Year 6 Students Only)	
<ul style="list-style-type: none">• Graduation Polo• Leavers Jacket	\$60 \$120

Personal Items

These items (as per the list below) have been approved by the School Council as being required by the students for personal use in educational programs provided by the school. These items can be purchased through a supplier of your choice. Please refer to the booklist for each year level.

Payment Options

Payment of contributions, assist with the school budgeting and the purchase of resources for student use. Please consider full payment of the contribution as soon as possible. It is usual that charges are paid as events arise; e.g. swimming, excursions and incursions.

All contributions, charges and personal items have been endorsed and approved by the School Council.

SHOWCASE ESPERANCE

Entry Information 2023

Showcase Esperance is open to Esperance residents. The winning design, as chosen by the Shire of Esperance, will be entered into the 2023 WALGA #showCase IN PIXELS competition and will be displayed with other WA Local Government designs on the digital tower at Yagan Square. Anticipated display dates are 4th-24th September.

A prize of \$500 of vouchers from one or more suitable local businesses will be awarded to the local winner. Category winners will receive a \$50 voucher to a local business. Winners must be able to collect their prize in person.

Entries are judged within below categories:

- a) Non-Digitally created Lower Primary: PP-Y3
- b) Non-Digitally created Upper Primary: Y4-Y6
- c) Non-Digitally created High School Y7-Y12
- d) Non-Digitally created Community Group or Non-Digitally created Non-Professional or
- e) Digitally created (all ages) or Video (all ages) or Professional

The Banners will be judged on:

- Creative composition & artistic merit
- Individuality, boldness and humour
- Use of colour and creativity
- Is it easy to identify something about Esperance?
- Can you read the ESPERANCE name?
- Some consideration will be given to relevance to WALGA Local Government Convention Theme: *LOCAL FUTURES*

Design Requirements

- The design should promote a bright, positive image of Esperance
- The design should use large, bright and bold images as minor details will not be seen when on display. Block colours with no pencil is preferred
- The word ESPERANCE must appear in large, clear lettering. Any written messages to be short, simple, large and clear
- As the Yagan Square digital tower faces the road, the following guidelines strictly apply:
 - No commercial advertising / brands to be displayed
 - No photograph/pictures of road networks or traffic.
 - Content cannot include colours or shapes that could be mistaken for traffic signals, signs or instruction signs.
 - Composition should not be chiefly made up of dark images which have poor daytime visibility.

Other Design Criteria:

- The design can be digitally created or physically created in any medium then digitized (photographed) or a video
- Portrait orientation is essential.
- Digitally created artwork should use the dimensions 896 pixels (height) by 650 pixels (width). DPI of a minimum of 300 is recommended.
- For non-digital creations, a minimum size of 1472mm (h) x 1067mm (w) is recommended to ensure details are captured. A ratio of height to width 1.38 (height): 1 (width) must be maintained.
- For non-digital creations: possible 'canvases' include: paper; floor/pavement/wall; fabric/canvas/paper. For non-digital creations: possible media includes paint, textas, mixed media,
 - collage materials, mosaic tiles, upcycled materials.
- Videos submissions must:
 - Be HD (1280px by 720px) or Full HD (1920px by 1080px) only
 - Be MP4 files only
 - Be exactly 30 seconds. Videos longer than this may be clipped, and videos shorter than this may not be approved for playback
 - Have English subtitles for all speech
 - Contain no: wind sounds; traffic sounds; or sudden/loud noises
 - Contain G-rated content only. No swearing, sexual reference or references to drugs alcohol, gambling, spoking or any illegal or antisocial behaviour
 - Contain no copyrighted content, including music.

SHOWCASE ESPERANCE

Entry Information 2023

Submitting your Entry

All entries must be submitted to shire@esperance.wa.gov.au via email by Wednesday 12th July.

Please use the subject heading: *Showcase Esperance* and submit your entry as an attachment.

Please do not submit physical artwork. For video entries, we are happy to accept a USB, or a link to a cloud-based storage (eg One Drive). Alternatively, the Shire can also provide a Next Cloud link to upload your video to - please call to arrange.

In the body of your email please include your:

- Name
- Contact phone number
- Category (see above listing)
- Confirmation that you are an Esperance resident
- Confirmation that the design submitted is original work and
- Confirmation that you have not included any copyrighted content
- Written explanation of how the work has been created and which medium has been used and the inspiration behind each element and/or the overall composition (Max 250 words).

By entering the competition, you agree to your artwork being used by the Shire of Esperance and the WA Local Government Association for display, community and promotional purposes.

If you have any questions please contact our Community Development Officer Rebecca Seinor on 9071 0678 or email community@esperance.wa.gov.au
