Development day -  
no Students)

Year 5/6 Camp  
Swan Valley  
Adventure Centre  
Sunday 9<sup>th</sup> June to  
Friday 14<sup>th</sup> June

## From the Principal:

And there it goes Term 1 done and dusted! It's certainly been busy.

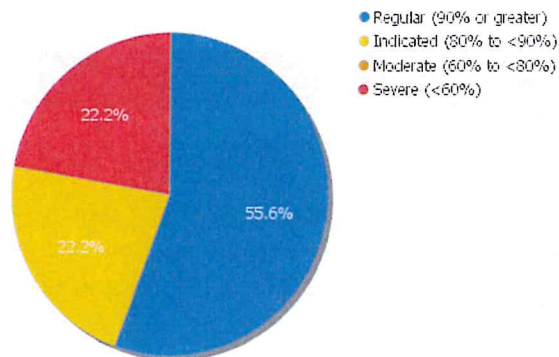

First of all welcome to our new teacher!! Morgan Fraser will be filling our permanent full time position from Week 3 2024. Morgan comes from New Zealand with a background in MAG class teaching and a specialty in The Arts. Morgan and her husband will be living and working within the Munglinup community and we are very excited to have her on staff.

During Week 1 and 2 next term we welcome Miss Cristin Mallon who will be teaching across the school. Crisitn is a graduate teacher with a bright future who is keen to take on a relief role in the district while she gets her career underway. Welcome to Crisitn.

One of the most attractive aspects of working at Munglinup Primary School is the respectful relationships between the school, the parents and wider community. It is something I really value and treasure. In my experience I have found that during a time of transition changes to routine are unsettling and expectations may differ, which can cause angst. I ask that you remain respectful and understanding as we allow our new staff to settle in. Please make an appointment to discuss any concerns and know that we make decisions based on what is best for our students. It is as important to send an appreciation to our teachers as it is to address issues. Keeping our relationships respectful will allow us to work together and help our students to reach their potential. It is our joint responsibility to protect our mutually respectful relationships.

As you know I will be on Long Service Leave for the first three weeks of Term 2. Amy Nelson will be in the pilot seat and we will have relief to cover the Kindy program.

Our attendance is looking very grim at the moment. Every day that your child is absent affects their progress. I do understand that illness is unavoidable, and that appointments affect the whole family but I would ask that you remain mindful of the number of absences your child has, and make every effort to have them attend regularly.

Please note that Monday the 15<sup>th</sup> April is a School Development Day and students do not attend. School commences on Tuesday 16<sup>th</sup> April 2024.

Enjoy the Easter break ahead and the ensuing school holidays. I look forward to returning in Week 4 after a sojourn to Kalbarri. Take care all.

**Wendy Hughes**  
Principal

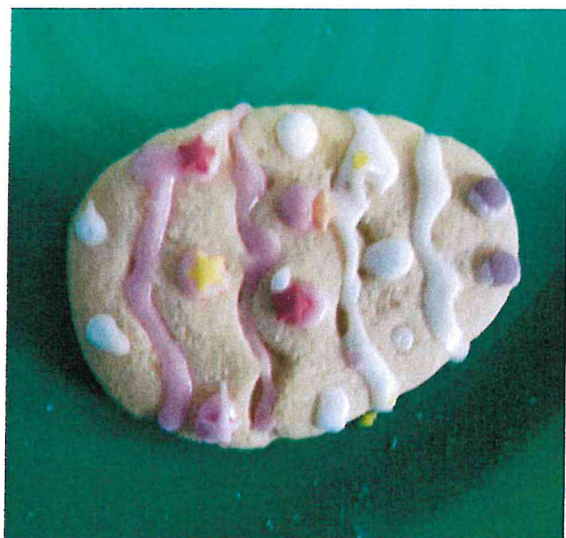

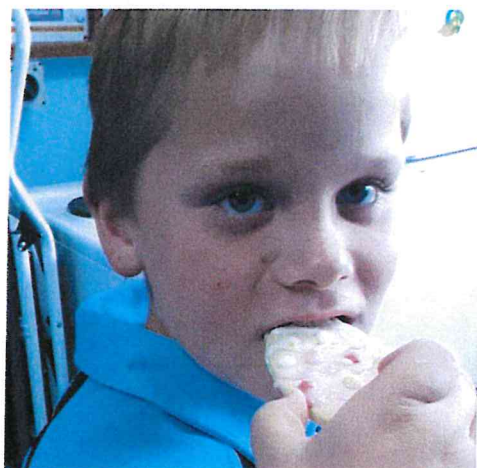

# Chaplains Challenge

What a privilege it has been to connect with the students at Munglinup Primary School.

During the term, there has been opportunities for students to participate in time out rewards. Today, there have been choices to make in decorating Easter biscuits, bulls-eye practice or throw and catch challenges. Some students have prudently divided there 15 minutes to have 'tasters' in every choice offered. During recess and lunch, some challenging ball and hoop games have been made available for experimentation.

A big shout out to all the students for the way you played in the playground today.

Mrs Ruth

# Room 1

## Hopetoun Visits

**Daisy and Max**  
We have lots of fun at Hopetoun School.  
We have made new friends and play sports.

**Lincoln** was able to make a mask and everyone was super impressed when shown to us on our way back to Munglinup.

**Alex** enjoys time during performing arts

### **Harry and Lincoln**

Performing Arts program is great for getting involved with others and participating as a group.

### **Freddie**

Getting involved in sports at Hopetoun

### **Harry**

Sleeping on the job?? No he is participating in Performing Arts cool down

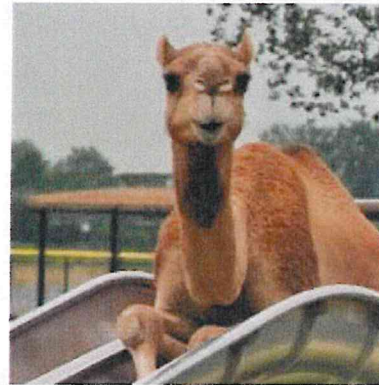

# Kindy Corner

## an update from our youngest learners

It is super fun to use your imagination to invent wonderful stories. Check out the crazy and funny stories the Kindy students imagined last week. These stories were inspired by our mentor text 'If I Was a Horse' by Sophie Blackall.

If I was a camel at the park I would go down a big slide. I would go on the flying fox then on the swings. It might be hard to climb up the ladder because I don't have any hands. I might need to do a big jump up instead. I would like to look at people skateboarding. Maybe I could give it a try. I could do some flips. I would see some of my friends and say hello to them. I would like to play tag with my friends.

By Hugh

If I was an eagle at CBH I would drive a truck and tip my canola out. I would then fly to my house and have a sleep. I would see tractors and maybe a wolf as I fly over the top. When I woke up from my nap I would fly back to CBH and load up. I would tell everyone a joke. "Why did the chook cross the road on it's head" "Because".

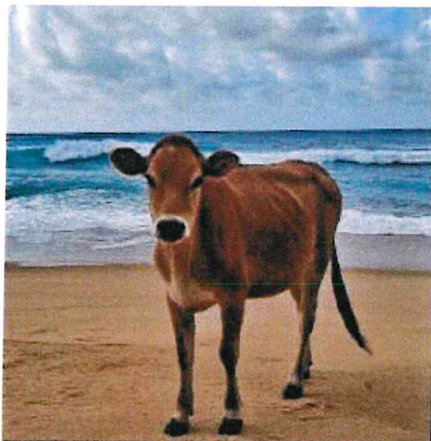

it would be hard to fix things as an eagle because it has wings.

By Roy

If I was a bull at school I would be hungry and I would sit with the kids and eat recess. It would be hard to sit on the bench because I am too big. I would fall off on the floor on my back. My horns would bump into people and I might have to go to the office to talk to Miss Hughes. I would try not to bump into people, I would be careful with everyone. I would try to play the magnet game but it would be tricky because my bull feet don't have fingers!!!

By Darcy

If I was a cow at the beach I would like to dig holes. I would run around. I could look at the whales and make a moo noise to get the whales attention. The whales might come towards me. The whales could dig holes with their flippers with me. The whales will scoop some water up with a bucket and give it to me to make sandcastles. It would be hard for me to get up the stairs because I might get tired. I might need to ask my mum to help me get up with a rope. Maybe next time I will need to stick to the footpath.

By Lucas

# Room 1

## Soccer Clinic

Room 1 Students had a visit from Football West. John had high energy and great Soccer Skills. All the kids had a great time and were able to learn some new skills.

**Interschool Athletics Carnival – Congratulations to Mallee North (Salmon Gums and Scaddan), for winning the shield and Mallee West (Cascade and Munglinup), for winning the Meritorious Shield**
