Friday 16th December

First Day of School 2023

Students start on
Wednesday 1st February
2023

Principal's Report

I would like to thank you all for another great year as a school community supporting and working with the school. In the lead up to the end of term we have had an eventful last few weeks at Munglinup! Please enjoy the last newsletter for the term.

End of Year Concert- *Mungy Mid-Harvest Hoedown*

YEEHAW!!! What a night! A fantastic turn out from the community once again showing the support for our little school. The community involvement means the world to the students. It was wonderful to share what has been happening at school this year and celebrate the achievements of each child. Later in the evening the students taught everyone some hoedown line dancing moves. Thank you to everyone that came down for the evening!

Student Award Winners

Congratulations to our student award winners.

Montana Meyering- *Artistic Award*
Lincoln Wickstein- *Science Award*
Leeahanna Bingham- *Writing Improvement Award*
Boston Walker- *Curiosity Award*
Thys Botha- *Geography Award*
Cali Walker- *Teamwork Award*
Benjamin Bingham- *Sportsmanship Award*
William Ware- *Resilience Award*
Oscar Ward- *Gratitude Award*
Hailey Ware- *Performing Arts Award*
Mareyn Botha- *Earth Saver Award*
Artie Walker- *Enthusiastic Reader Award*

Munglinup School Council

We are seeking parent nominations for the Munglinup school council. If you would like to nominate for the position please e-mail your nominations to amy.nelson2@education.wa.edu.au , outlining why you want to join and what you will bring to the role. Should there be more than one nomination we will run a voting process for parents to vote.

Reports

Student Semester 2, 2022 school reports will be sent home tomorrow. Please take the time to read through your child's report with them and celebrate their successes and progress this semester. Discuss areas for improvement and set some goals together to focus on in 2023.

Domino's Pizza Fundraiser

A huge thank you to Domino's Pizza Esperance for their support in raising money for our P&C this year. We appreciate the effort from the store to coordinate all the pizza orders and deliver them all the way out to Mungy on concert night.

Student Council

I am honored to announce our student council for 2023. All of our successful nominees presented outstanding speeches to their peers and teachers displaying their leadership qualities required for the role. Congratulations to our head students Oscar Ward, Hailey Ware and Mareyn Botha. We also welcome William Ware to our student council next year.

Munglinup Primary School Family Fun Day

This Thursday we will celebrate the end of term with a fun-filled day in Esperance. The students will begin the day visiting a kitten foster carer house from Safe Esperance. The student's raised money for the organization earlier in the year so they are all very excited to learn more. All the Munglinup PS families are then invited to join us for a mini-golf family challenge and a picnic at Adventureland Park.

Memorial Bench in Honour of Mrs Helen Compagnoni

Honour the life of Mrs Helen Compagnoni and acknowledge the outstanding work she did to help establish Munglinup Primary School. Without her efforts it is possible the school would not exist today! The P&C have kindly donated a memorial bench in Mrs Compagnoni's honour.

Outdoor Classroom Day

'There is no such thing as bad weather, only bad clothing choices'. At Mungy we aim to use the outdoor learning environment to enhance and extend on what we are learning inside the classroom. We are excited to develop the addition of a nature playscape next year to support us extend student learning. Outdoor Classroom Day was an entire day spent outside! When I asked the students to reflect on the day many of them noticed that they had more opportunities for choice in how and where they learn, more opportunities for collaboration and working with different peers and they enjoyed how being in nature made them feel. Nature play significantly improves all aspects of child development – physical, cognitive, social and emotional.

Principal**

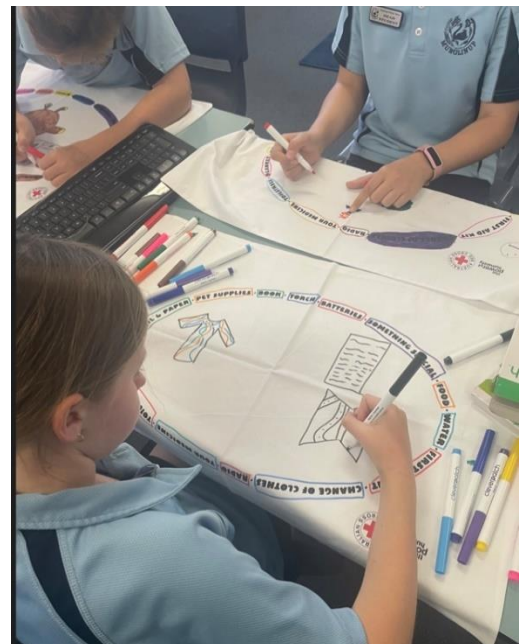

Pillowcase Incursion

On Wednesday 16th November Chris came from The Red Cross to talk to us about emergencies. We learnt that you could use a pillowcase as an emergency bag, we also learnt how to stay calm in an emergency. Some of these strategies are breathing for four seconds and thinking about your favourite colour, hold for two seconds and then breathe out for six seconds thinking about your least favourite colour.

We then made our own Red Cross Emergency pillowcase which we decorated with fabric textas, some of us drew what we would put in our bags, others drew special things, some simply decorated.

“I feel safer after Chris coming” said Mareyn

“I feel way safer and more in control of what to do” Oscar said

The year 2022 by the Munglinup Students

END OF YEAR CONCERT EXCITEMENT

On Friday at the MCC at 5:30 the Munglinup students had a concert. The concert started with the year and what we did in the year. One thing we did in this year was learn about Remembrance Day. The next part of the night was book awards along with a special Memorial part of the night to remember the efforts and achievements of Helen Compagnoni. To finish the night Munglinup students danced to Roadhouse, Come Here You and finished with Footloose. It was a fantastic night.

By Oscar

On the concert day we were all a mixture of excitement and nerves, except for Oscar and Hailey, because they had done things like that many times, about the day ahead. We attended school as usual and also had our usual early mark on a Friday afternoon (2:30). We all went home to gather what we knew we needed to find or put on. We all met back at the MCC at 5:15 to 5:20 to rehearse before all the guests arrived at 5:30. We did some breathing and then we all went out to perform. We all did our speeches, then we had the intermission, that's when Santa came and gave us a book wrapped up then we did our line dances: Roadhouse, Come here you and Footloose, then the principle (Miss Nelson). All the kids went outside to play with each other, leaving the chatty parents behind. It was so much fun! I loved it so much! Can't wait to do it again some other time.

By Artie

The Mungy Mid Harvest Hoedown.

On the 9th December 2022 at the MCC we had a Mungy Mid harvest hoedown as the end of year concert. Firstly, we did our speeches about what we did this year, like Year 5, 6 camp and swim week. After that we did the awards and the principal address. After that we sang Santa Got Stuck Up the Chimney and the Aussie Jingle Bells. Then a BIG surprise came in through the door. We got a lot of gifts and presents. After the SANTA came, we changed into our country costumes for the rest of the night. We had to line dance in a country style. After we showed the others, we just danced our hearts out. We all enjoyed it and we can't wait for next year, 2023.

By

Mungy Mid Harvest Hoe-Down

On the 9th of 2022, Term 4 we had our Mungy Mid harvest hoe-down. First, we had our speeches of the events we have had this year at school. My favourite part of this year was the year 5/6 camp. For camp we went to Albany and did lots of fun and adventurous things. After we did our speeches, we did had rewards. Everyone got a prize this year. We then we sung "Santa Got Stuck Up the Chimney" and the "Aussie Jingle Bells." At school the student has been practicing Santa Got Stuck Up the Chimney a lot. After our Santa visit, we finally got to our dancing part of the evening. We got to showcase and teach the community our Roadhouse and our Come Here You dance. Then, the student got to showcase without teaching everyone our favourite dance of Footloose. They all had a great time.

By Hailey

END OF YEAR CONCERT

We all dance. Ben taught his dad the 'Roadhouse' dance. Ben's dad was really good. Dominoes brought out

On the concert night we taught people 2 dances. Santa gave me a book. It was called Pete's Big Feet. It was an awesome concert.

This year my favourite thing was making damper with Mrs. Loader.

By Lincoln

Year that was. Oscar then did a memorial speech for his great grandmother Helen Compagnoni, the founder of Munglinup Primary School. After that the student sung two songs, When Santa got stuck up the chimney (one kid started to cry in middle of the song) and Aussie Jiggle Bell's. When the songs were done Santa arrived and the playgroup kids got presents from Santa first while the year school students had intermission. Before the school kids went back on stage for the rest of the concert they got presents from Santa. When Santa left, the students went back to the concert and showcased three dances; Roadhouse, Come Here You and Footloose. The students taught the first and second dance. Mareyn spoke the steps and taught the first one and William did the same for the second one. Then that was the end of Munglinup show. Then the pizza arrived, and the dessert table was open.

By William

This Year Review

This year we did lots of things like Musica Viva, faction carnival, Cindy Poole, Jump Rope, Pillowcase incursion, outdoor day, Walk on Country and lots of things. As I came to Australia last year, I had a very good year in Munglinup primary school. I had a great time this year. My favourite excursion was the Cindy Poole Science Week excursion and the interschool carnival.

By Thys

My favourite events this term were Hopetoun and Outdoor day. At Hopetoun we did skipping and had lots of fun.

We made a volcano during our outdoor day. Thys and Lincoln helped me to make the volcano.

By Boston

I came from New South Wales at the beginning of this term from my school called Calrossy Anglican School but loved visiting Munglinup. This term we had Outdoor day, Jump Rope for Heart and Pillowcase incursion at Munglinup Primary School. My favourite event was Outdoor day because we stayed outside the whole day. I love Munglinup Primary School because it has amazing children and Teachers.

25 Things to do in Summer

- 1 Find a quiet river, stream or lake to dangle your feet in the water & daydream.
- 2 Have an ice sledding race down a steep, grassy hill (ice sleds available from ice suppliers).
- 3 Play [Nature Play Bingo!](#) Download the free resource from our website & get finding.
- 4 Make your own icypoles with seasonal fruit & yoghurt - freeze & enjoy!
- 5 Explore [geocaches](#) in your area - a digital treasure hunt for the whole family.
- 6 Create Christmas decorations from natural materials ([see our blogs for how-tos](#))
- 7 Build a sandcastle (or city!) & decorate with shells, seaweed & natural treasures you find.
- 8 Camp out overnight - pitch a tent or sleep under the stars.
- 9 Discover some urban nature. Find small spaces of green in the city.
- 10 Create a cubby in your yard - a cool space to escape the heat.
- 11 Take an early morning walk. How many different bird calls can you hear?
- 12 Get out on the water - hire kayaks or paddleboards, or get the surfboard or boogie board out & hit the surf!
- 13 Take a family picnic to a spot you've never been before.
- 14 On your watering days, play under the sprinklers while the garden gets a drink.
- 15 Get muddy! Get the mud kitchen into action or hose down your sandpit for some messy fun!
- 16 Go mountain biking. Check the [Cycling section](#) of our website for info.
- 17 Teach yourself a new skill. Ride without training wheels, cross the whole monkey bars without stopping or practise your cartwheels.
- 18 Visit a national park (use Explore Parks WA's [Parks Finder](#) or our [Every Kid in a Park](#) app).
- 19 Explore rock pools at your favourite beach. How many sea creatures can you spot?
- 20 Try spelunking! Discover one of the many beautiful caves around WA.
- 21 Go on a family bushwalk. Check the [Hiking section](#) on our website for trails.
- 22 Draw a target on the footpath in chalk, fill a bucket with water & use wet sponges for target practise. Can you hit a bullseye?
- 23 Go fruit picking - discover what fruits are in season.
- 24 Create a nature "treasure" box & add something to it from each adventure. How many can you collect over the holidays?
- 25 Visit as many nature play spaces as you can! Download our [Play in WA app](#) to find one near you!
